BULLETIN OF THE
INTERNATIONAL MATHEMATICAL UNION

1. International Congress of Mathematicians, 1966

The next International Congress of Mathematicians will meet in Moscow during the third week of August 1966, at the invitation of the U.S.S.R. National Committee for Mathematics. Professor I. G. Petrovski is the President of the Organizing Committee, Professor C. N. Mergelyan Vice-President, and Dr. V. G. Karamanov Secretary.

2. Symposia, Colloquia, etc., 1963

IMU supported or co-sponsored the following meetings and research projects in 1963:

(i) Instructional Conference on Mathematical Probability, Durham (England), 28 March — 11 April, 1963

The conference was co-sponsored by the IMU, the Royal Society, the London Mathematical Society, and the Royal Statistical Society and financially supported by IMU.

(ii) Italian Summer Research Centre, 1963

The Centre was jointly sponsored by IMU, N.A.T.O., the Italian National Research Council and the Italian Ministry of Public Instruction. There were three sessions: (a) Abstract Differential Equations, 30 May — 8 June; (b) Complex Functions and Manifolds, 25 June — 5 July; and (c) Comparison and Averaging Methods in Mathematical Physics, 30 June — 9 July.

(iii) Colloquium on Abelian Groups, Tihany (Hungary), 2—8 September, 1963

The Colloquium was sponsored jointly by the Bolyai János Matematikai Társulat and the IMU. Organizing Committee: Professors R. Baer, B. Charles, A. L. S. Corner, L. Fuchs, I. Kaplansky, A. Kertész, L. Ya. Kulikov, A. G. Kurosh, A. P. Mishina, R. S. Pierce, L. Rédei, E. Sasiada, E. A. Walker and S. MacLane and B. Segre (IMU representatives).

3. Symposia, Colloquia, 1964

The following meetings will be held in 1964 under the co-sponsorship of IMU:

(i) Colloquium on Differential Analysis (Differential Equations, Differential Geometry and Differential Topology), Bombay (India), January 7—14, 1964

The Colloquium is organized by the Tata Institute of Fundamental Research, and the Organizing Committee consists of Professors M. S. Narasimhan, Raghavan Narasimhan, K. G. Ramanathan, C. S. Seshadri and D. Montgomery and G. de Rham (IMU representatives).

(ii) Symposium on Algebraic, Geometrical and Differential Topology, Manchester (England), April 1964

Organizing Committee: Professors M. H. A. Newman (Chairman), D. F. Adams (Secretary), M. F. Atiyah, M. G. Barratt, I. M. James, E. C. Zeeman and F. Hirzebruch and H. Hopf (IMU representatives).

(iii) Symposium on Classical Function Theory, London (England), September 1964

Prof. W. K. Hayman is in charge of organizing the meeting. IMU's representatives on the Organizing Committee are Professors M. A. Lavrentiev and R. Nevanlinna.

4. IMU Lectureships

Under the IMU Lectureship Programme, Professor D. Mumford (Harvard) visited Japan in Spring 1963, and Professor K. Kuratowski (Warsaw) visited Canada in Summer 1963.

Professor K. Chandrasekharan
Secretary
International Mathematical Union.

End of the Bulletin of the International Mathematical Union.
